Regional Public Safety Training Center 2018-2019 Fee Schedule

half day = up to 4 hours *full day = 4+ hours - 9 hours *additional rates apply for more than 9 hours of training

Weapons Training Areas

Range Fees include facilities usage, target backers and stands. A certified Firearms Instructor must be present at all times

Range #1 (50 yard)	$250.00 per half day $450.00 per full day
Range #2 (200 yard)	$250.00 per half day $450.00 per full day

Emergency Vehicle Driving Course

Range fees include facilities usage. A certified Instructor must be present at all times

Driving Track only	$200.00 per half day $350.00 per full day
Driving Track and Skid Pad	$300.00 per half day $500.00 per full day

Tactical Tower

Tactical Tower (Search, entry, rappelling, ladder, etc.)	$150.00 per half day $250.00 per full day
Tactical Tower - Smoke generator only	$200.00 per half day $350.00 full day
Tactical Tower with Burners and Smoke**	$250.00 per hour (2 hour minimum required)

**An RPSTC approved operator must be present during burn operations (*rate is $75.00 per hour, which is included in the user fee*). Fees also include cost of propane and smoke. RPSTC Manager will make every attempt to arrange for an operator on the day of training you request. If no operators are available, no burn operations will occur. Please have alternative training planned. If the burners have maintenance issues which cannot be resolved quickly during your burn operations, you will only be assessed actual time the burn facility was operable. Again, please have alternative training planned so your training day is not wasted. *The RPSTC does not provide firefighting instruction; the agency using the facility must have a certified firefighter instructor present at all times during scheduled training.*

Class "A" Burn Facility $125.00 per live fire evolution

K-9 Training Area

Please inquire with RPSTC Staff for the fee schedule for this facility
